

GET YOUR PAINTS READY!

Art Competition

We support children and young people who have experienced much pain in their early years. This can sometimes impact their behaviour in school. We don't want these children to be misunderstood or excluded in their schools. We want them to have access to the help they need. Would you help us promote inclusion in all schools by designing a poster that will ensure teachers consider all these children have been through?

Winning entries will be awarded prizes and used to support our work across the UK.

Deadline 31st January 2019

Please send entries to Touchbase Centre CiC , 41-43
Portland Road, Hove. BN3 5DQ or
info@touchbase.org.uk labelled with name, age and
contact info.
